4. Operational Period:

0001 AKDT 09/04/2013 – 2400 AKDT 09/05/2013

5. General objectives for the Incident:

### Joint State/Federal Objectives:

- **01.** Ensure the safety, security and welfare of assigned personnel.
- **10a.** Transition to winter shelter and feeding operations by 09/15/2013.
- **40.** Support voluntary agencies committed to repairing homes prior to the end of construction season.
- **11b.** Provide financial and direct housing assistance options to individuals based on eligibility and approved authority for Permanent Housing Construction.
- **13a.** Deliver unified messaging for survivor support.
- **41.** Effectively convey to Galena residents the ramifications of FEMA’s decision on FEMA funding of recovery activities in Old Town.

6. Weather Forecast for Period:

Weather forecast has no impact on operations.

7. General Safety Message:

Practice Situational awareness every day. Always be aware of your surroundings when you are reporting to or leaving work, at a store, restaurant or hotel. Take a few seconds to check your surroundings; park in lighted areas if possible and travel using the buddy system. When walking, keep a watchful eye on the walking surface; watch out for holes and debris in the parking lots and on the curbs. Your Safety begins with your awareness and knowledge to prevent accidents and avoid dangerous situations.

8. Medical Emergency Procedures

- AED located in the clinic located in the school.
- Medical Clinic is mainly for tribal treatment and Galena residents and is used for FEMA employee treatment in case of emergency urgent care or emergency situations.

NOTE: In case of a serious injury or illness the clinic Doctor will respond 24/7 to assist in medical treatment. Should it be determined that the employee is serious the clinic and/or the designated FEMA employee will activate the medevac as outlined in the procedures. Additional medical consultation is available through the Guardian Medevac dispatch center (888.997.3822) and/or the Fairbanks Memorial Hospital (907.458.5000.) Should the patient not be considered serious, contact should be made with the JFO representative to place the employee on the next scheduled commercial flight or a charter.

8. Medical Emergency Procedures

- AEDs and First Aid Kits are located in every floor, directly across from the elevators.
- Ambulances will generally be dispatched by the 911 operator.
- Assist the injured person and offer reassurance and comfort.
- Keep universal precautions in mind.
- Do not move individuals with suspected spinal injuries.
- Report the emergency to your supervisor and the Safety Officer.
- Defibrillators are located at the front door near the guard station and second floor near the elevators of the AAO.
- Two advanced first aid kits are located in the AAO I.T.room.
